Modular Floating Dock System

A lifetime of waterfront adventures awaits your family with the Connect-A-Dock floating dock system. Easy to install and engineered to last, the modular sections can be configured to build docks for boating, rowing, fishing, swimming, and anything else you can imagine. Perfect for homes, parks, and resorts.

Enjoy time around the water and create lifelong memories with Connect-A-Dock®. Make your dock an extension of your life.

Create a safe/stable cradle for your Kayak

Attach to Floating or Fixed Docks

Connect-A-Dock® warrants to the original owner all polyethylene plastic components for eight (8) years from the date of purchase to be free of defects in material and workmanship and to perform properly under normal usage and when *fully assembled according to the instructions provided at the time of purchase. *Fully Assembled: Install float connectors into all float section sockets where other float sections will be attached. Connect-A-Port® and YAKport® has a five (5) year limited warranty. All other accessories have a one (1) year limited warranty. For a copy of the Connect-A-Dock, YAKport and/or Connect-A-Port complete warranties call Connect-A-Dock. Warranty is only valid in USA and Canada. Should you have a warranty claim, we may require that you provide a photograph or, in some cases, return the Connect-A-Dock part to the place of purchase. For the warranty to be valid, the original sales receipt must accompany the warranty claim. NOTE: Shipping costs are not included in the warranty. NOTE: All plastic has an inherent tendency to create static electricity. If you have a concern, contact Connect-A-Dock. Connect-A-Dock reserves the right to make changes without prior notice.
